Minnesota North Stars Open Training Camp Here

Fifty professional and amateur hockey players will report to Haliburton, Ontario today, Friday, September 8. The Minnesota North Stars of the National Hockey League, under the direction of General Manager - Coach Wren Blair, will spend nine days here. The athletes will stay at Chateau Woodland.

The Minnesota organization will also have their Memphis farm club here. Memphis will play in the top flight Central Pro League. Mr. Blair has appointed John Muckler as General Manager and Coach of the Memphis club.

Star names such as Elmer

Vasko, Jean Guy Talbot, Cesare Maniago, Dave Balon, Ray Cullen, Bob Woytowich and Len Lunde, to mention only a few, will be on display in the training camp. The organization will skate twice each day at the Haliburton Arena with both Blair and Muckler in charge of work-outs.

The whole training camp will climax with a big pre-season game between Minnesota North Stars and Memphis South Stars at the Haliburton Arena on Saturday night, September 16 at 8 p.m. Tickets will be at a premium for this game with requests coming in for the game from Orillia, Barrie, Bobcaygeon, Lindsay and

Fenelon Falls, not to mention the high interest locally.

Wren Blair of the Haliburton Hockey Haven and Manager - Coach of the Minnesota North Stars deserves a lot of credit for the publicity he is giving to Haliburton and surrounding area.

It was mainly through his efforts that we have the Haliburton Hockey Haven and now for the first time in Haliburton's history, a professional hockey team, the Minnesota North Stars, will be training here.

You just can't buy this kind of publicity and the Highlands of Haliburton owes Wren Blair a vote of thanks.

Many Accidents Here Over Holiday Weekend

A rash of traffic accidents in the area over the holiday weekend caused considerable property damage, but few injuries resulted.

Damage of \$350 resulted at 11:57 a.m. Saturday when a car driven by Ronald Dean, 21, of Port Credit went off the Boshkung Lake Road to avoid collision with an oncoming dump-truck being driven by Franklin Barjarow, 31, of Haliburton, police said.

Minden O.P.P. Constable E. F. Whitney investigated.

Total damage of \$475 resulted police said, when cars driven by Pauline Pribag, 31, of Scarborough and Andre Jean Mintz, 21, of R.R. 1, Minden crashed on Highway 503 near Gooderham about 3:45 p.m. on Saturday last.

A two-car collision on the Boshkung Lake Road about 9:05 p.m. Saturday resulted in damage estimated at \$1,450. Police said drivers of the cars were Michael Sayer, 46, of Weston and John McQuay, 29, of Barrie. Both vehicles were station wagons.

Minden O.P.P. Constable M. J. Maher investigated.

Minor damage resulted when a motorcycle and farm tractor collided about 6 p.m. Saturday on the Bobcaygeon Road in the Minden area, but the two occupants of the motorcycle sustained minor injuries, police said.

Gary Adams, 21, of Toronto,

driver of the motorcycle, and his wife both sustained minor injuries. Police said the tractor was driven by Garnet Walter Stevenson, 56, of Minden.

Minden O.P.P. Constable D. J. Watson investigated.

Total damage of \$400 resulted about 7:45 p.m. Saturday when cars driven by Malcolm Taylor, 31, of Thornhill and Gary Vasey, 33, of Bradford collided on the Kennis Lake Road, police said.

Minden O.P.P. Constable John Parsonage investigated.

About \$650 damage resulted on Highway 503 about 12:30 a.m. on Sunday when a car owned by David Bright, 20, of Scarborough was in collision with a car owned by Stephen Suscitti, 19, of Scarborough, stated police.

Minden O.P.P. Constable Ross Hicks investigated.

Nearly \$200 damage resulted from a two-car crash on the Scotch Line Road north of Minden about 5:50 p.m. Sunday involving cars driven by Lillian R. Stevenson, 50, of Toronto and Robert George Reesor, 28, of Downsview, police said.

Minden O.P.P. Constable D. L. Hiltz investigated.

A one-car accident on Highway 35 near Minden about 1:35 a.m. Monday resulted in \$300 damage. Police said the car was driven by Philip A. Saar, 17, of Hanover.

Minden O.P.P. Constable E. F. Whitney investigated.

Progressive Conservative Convention In Lindsay Sept. 13

The Victoria - Haliburton Progressive Conservative Association announced this week that a Nomination Convention will be held at the Academy Theatre in Lindsay on Wednesday, September 13 at 8 p.m. The Convention is being held to select a candidate for the forthcoming Provincial Election. Everyone is welcome to attend.

The Progressive Conservative Association have asked us to announce that those desiring to be delegates with voting privileges should contact local Polling Sub-division Chairman or the Secretary, Mr. Gordon Pepper in Lindsay.

R. Glen Hodgson is the present provincial member for the riding.

He succeeded the Hon. Leslie M. Frost as riding representative in 1963.

Lucky Winner

Mrs. K. C. King of 766 Queen Street, Preston, Ontario was the lucky winner of a pastel painting by Karl Hanke. The winning ticket number was 846. The painting was the prize from the draw sponsored by the Haliburton School of Fine Arts.

The draw was made by Roy Brohm, Reeve of the Municipality of Dysart and Warden of Haliburton County. Assisting Mr. Brohm was Glen Hodgson, M.P.P.

Minden Horse Wins At CNE

Nesbitt's Centennial Lady, owned by S. G. Nesbitt and Sons of Minden took honours in the Belgian horse judging competition at the Canadian National Exhibition last Wednesday.

Centennial Lady won the filly foal of 1967, the best mare under three years class, the reserve best mare for any age and the foal of 1967 owned by a resident of Ontario.

Break-in At Local C.N.R. Station

A break-in occurred at the Canadian National Railway Station at Haliburton on Sunday night last around 6:00 o'clock when thieves made their entry into the building from a rear door. The suspects escaped with \$15.00 in cash and a radio belonging to the local C.N.R. station agent, Homer Brown.

Mr. C. H. Watt first noticed the break-in at 7 p.m. and notified the agent, Mr. Brown, who phoned the Ontario Provincial Police at Minden. Two hours later O.P.P. Constable Douglas Heath of the Minden Detachment reported that the suspects had been apprehended.

Youths Remanded

Two 17-year-old Toronto area youths were remanded one week in Lindsay Magistrate's Court on Wednesday on charges of breaking, entering and theft, and theft from cabins in the Haliburton area.

Charged are Kenneth Clark of Scarborough and Paul Gilbreath of Etobicoke.

The pair were remanded without plea on the charges, laid in connection with offences on August 26 and 28.

Secondary School Enrollment 530

The Echo was informed by J. Douglas Hodgson, Principal of the Haliburton Highlands Secondary School, that the number of students enrolled there is 530. This is an increase of 30 over one year ago.

No Echo Next Week

As we will be taking holidays next week there will be no issue of the Haliburton County Echo.

However, we will be coming your way again on Thursday, September 21 to keep you up to date as to what is happening in the Highlands.

The Results Were Excellent

Among nine students trying Grade 13 exams at the Millbrook High School this year, there were two Ontario Scholars and a third student who also obtained first class honours standing.

Arthur Hobbs, 17, son of Dr. and Mrs. M. E. Hobbs, had an average of 84 per cent, and Paul Wood, son of Mr. and Mrs. Melville Wood, had one of 80 per cent. Alan Pinck, son of Mr. and Mrs. Thomas Pinck, obtained a 77 per cent average.

Only one paper of all those tried by the nine students failed to receive a passing mark. Thirty-eight per cent of all papers tried received first class honours, and 98 per cent of all papers tried were successful.

A great deal of credit for the showing of the class should go to the school's principal, Mr. Thomas

Hodgson, son of Mr. and Mrs. C. W. Hodgson of Haliburton.

Mr. Hodgson expressed great satisfaction in the fact that the results for English, History, Mathematics, Biology, Physics, Chemistry and Latin were 100 per cent — that is every paper received a passing mark or better — and in French there was only one failure.

On Tuesday Tommy started his second year as Principal of the Millbrook High School.

Hear Billy Graham

Thirty-seven people from various churches in Haliburton chartered a bus to Toronto last Sunday to attend a Billy Graham Crusade at the Grandstand at the Canadian National Exhibition.

Political Pot Boiling

With a Provincial Election called for October 17, the campaign in this riding appears to be underway. A notice in this paper informs us that the Progressive Conservatives will meet on Wednesday, September 13 to select a candidate, and it is fully expected that R. Glen Hodgson who won the riding in the last election will again be the Conservative standard bearer.

The Liberals who have had their candidate, Mayor John Eakins of Lindsay, in the field for some time are organizing for

the fray. Liberals feel that in John Eakins they have an excellent candidate, and it would appear that an exciting election contest is in the offing. Mayor Eakins was in Haliburton on Thursday of this week and was entertained at three coffee parties and took the time to do a little main streeting.

As yet the N.D.P. have made no move to put a man in the field, but there is still time. In the large centres the N.D.P. is a force to be reckoned with, but their chances in rural ridings are next to hopeless.

Some Reflections On Hall's Lake

By ROSE DAVIES

This is just a wee bit of the doings around Hall's Lake from 1977 to 1967 as I remember them. That is a pretty good life-time, and I have seen many changes.

Hall's Lake is about the loveliest lake in Haliburton County, and is very popular with summer visitors. It is almost round and about two and a half miles across in any direction. Not a big lake,

perhaps, but what it lacks in size it makes up in beauty.

Its waters sparkle in the summer sun, reflecting the blue of the sky. In autumn the beautiful colours of the maples and white birches which grow along its shores are mirrored in the water. It has some rocky shores, and you can see bits of mica shining in the rocks, but it also has many

Professional Hockey Game To Be Played In Haliburton Sept. 16

Haliburton's first professional hockey game will be played at the Haliburton Arena on Saturday night, September 16 at 8 p.m. when the Minnesota North Stars of the National Hockey League will meet the Memphis South Stars of the Central Pro League. Interest for this game is running high and a sellout crowd is anticipated.

For many of the local fans this will be their first live look at professional hockey, as top professional talent will be on display in this game.

Fans attending the game will

be seeing such veterans of the N.H.L. as Elmer 'Moose' Vasko, Jean Guy Talbot, Cesare Maniago, Dave Balon, Ray Cullen, Len Lunde, Bob Woytowich plus many others.

Due to the large crowd expected for this game we urge you to be in your seats at the Arena early or you may be disappointed if the Arena is sold out.

Yes, Professional Hockey comes to the Haliburton Arena on Saturday night, September 16 at 8 p.m. If you're a hockey fan you won't want to miss it. See you there.

Local OPP Report

The week of August 27 to September 3 saw Minden Detachment of the Ontario Provincial Police investigate 17 accidents. Fifteen accidents were property damage accidents with damage estimated at \$8,770.00, and two were personal injury accidents with five persons injured and \$1,075.00 in damages to the vehicles involved.

During the week 2,570 miles of provincial and county roads were patrolled and during these patrols eleven Highway Traffic Act and three Liquor Control Act charges were laid.

Criminal investigations for the week totalled 21, broken down as follows: Thefts 10, Damage to Property 4, Break and Enter 3, Assault 1, Trespassing 1, Disturbances 1, and Dangerous Boating 1. Four criminal charges were laid as the result of the above investigations.

This week marks the start of school for another year. We would ask that all drivers pay particular attention to children walking to and from school and waiting for school buses. Children tend to be

come very careless while on our roads, so the driver must be more alert so we can avoid having any unfortunate accidents reported to our office. REMEMBER, you must stop both ways when a school bus is stopped on the highway with red lights flashing.

Referee School At Haliburton H. H.

The week of September 10 - 17 will be a mighty busy one at the Haliburton Arena. Not only will the Minnesota North Stars N.H.L. club be here in training camp, but more than 100 aspiring referees and linesmen will be attending Haliburton Hockey Haven taking a special training program.

National Hockey League referee Vern Buffey will direct this program in co-operation with H.H.H. and his instructors will include Referee-in-Chief Scotty Morrison and his assistant, Frank Udvari.

Hi-way And Bi-way News

Tuesday, September 5 - Hark! What do we hear? School children, school buses and school bells. School days, school days, good old golden rule days. Reading, 'riting and 'rithmetic all taught to the tune of the latest "Taxes Hit Blues."

We are sorry to hear that Mr. Ray Arntfield of Holiday Inn is ill in the Red Cross Outpost at Minden.

Mr. and Mrs. George Thompson have returned home to Oshawa after spending some time at their cottage on Lake Kashagawigamog.

Mr. and Mrs. Donald Cowen and daughter of Owen Sound spent a few days in the community visiting.

Mr. and Mrs. Everett Burk and Mr. and Mrs. Wm. Duncan and family spent Friday evening with Mr. and Mrs. George Elstone.

We are sorry to hear that Mrs. Gary Holland was rushed on Friday to Scarborough General Hospital for an emergency operation. "Speedy recovery June" from your Hi-way and Bi-way friends.

Mrs. Gerald LeBoutillier visited with Mrs. M. Holland on Thursday of last week.

Mrs. Mary Hoar of Toronto and Mr. and Mrs. Ken Hardy and family of Bramalea were Labour Day weekend guests at Lakeview Lodge.

Mr. and Mrs. J. McKay of Toronto are spending a few days at their cottage on Soyer's Lake.

Mr. Arthur Henry spent the weekend at his home here.

Mr. and Mrs. Dunc Chamney and family of Montreal, Mr. and Mrs. Lloyd Grainger and family of Aurora, and Mr. and Mrs. Keith Teitzel of Thornhill were

at their cottage, "Stagger Inn" on Lake Kashagawigamog for the long weekend.

Visiting with the Moodys of Soyer's Lake on Monday evening were Mr. and Mrs. J. McKay and Mr. and Mrs. George Elstone. The McKay's entertained the group with a delightful descriptive travelogue of their trip to Vancouver and Prince Rupert. Travelling by train, bus and boat gave them ample time for picture taking and relaxation. They just experienced one rainy day and that was at Prince Rupert.

Mr. and Mrs. Robert McKnight have returned home after visiting with relatives in Hamilton.

Congratulations to the newlyweds Mr. and Mrs. Dale Henry who were married on Saturday, September 2, 1967.

Congratulations to Mr. and Mrs. Allan Hoxie (nee Gloria Smith) on the birth of a baby girl.

Mr. and Mrs. Williamson spent a few days visiting Miss Margaret Elstone and Mrs. Agnes Bolendar.

Mr. and Mrs. John Elstone and Mr. and Mrs. Doug Elstone and family of Agincourt called on the George Elstones on Sunday. Mr. and Mrs. John Elstone are spending a week's vacation at his father's cottage on Lake Kashagawigamog.

We are glad to see the Johnnie Johnson family of Scarborough at their cottage on the weekends. The Johnsons spent their five-week vacation with their families in jolly old England. They had a wonderful trip visiting Paris, France as well, but report that Canada is still "tops" with them.

Mr. and Mrs. Clifford Holland and girls motored to Peterborough on Tuesday.

School Director Given New Job

MINDEN (ENS) — Quimby F. Hess, 50, Director of the Ontario Forest Technical School at Dorset since 1961, has been appointed Supervisor of Reforestation Section of the Department of Lands & Forests, Timber Branch, Toronto. The former Supervisor, Rodney W. Hummel, 51, is the school's new Director.

Mr. Hummel brings to his new position a variety of administrative experiences and a broad interest in many phases of forestry.

Born in Chesterville, he received his elementary and secondary school education there, graduating from Ottawa Normal School in 1937.

He joined the Department in 1951 and was named Timber Management Supervisor, Kenora forest district. Mr. Hummel has also served at Parry Sound and Hespeler. He was named Supervisor of the Timber Branch's Reforestation Section in 1958.

Mr. Hess has been a Department employee for 27 years. Prior to his appointment six years ago as School Director, Mr. Hess was Regional Forester of Ontario's southeastern region. During his years at the school, he saw student enrollment grow from 80 to 150 in the general diploma course.

1968 PONTIAC

The Pontiac Grande Parisienne for 1968 (above) features completely new exterior and interior styling plus important engineering refinements including a wider track, and a new constant pressure, draft free Astro-Ventilation system. The new "Flow-line" body styling features a new front bumper-grille combination, wrap-around front side marker lamps, hideaway headlights, upswept hood line, hidden windshield wipers, and new taillight treatment. The new interiors are highlighted by foot pedal trim, automatic front and rear door light switches, new full glass styling, new stirrup shift lever, and a new ignition warning buzzer system. The Pontiac Grande Parisienne Series comprises a 3-door Sport Coupe, shown above, a 4-door Sport Sedan, and a 4-door, 2-seat Safari Station Wagon. With this Series there is a choice of four engines. Standard engine is the all new 327 cu. in. Astro-Flash V8 delivering 210 h.p. As well, there are three optional engines: a 327 cu. in. 4-bbl. V8 which turns out 275 h.p., a 396 cu. in. V8 turning out 325 h.p., and a 427 cu. in. V8 delivering 385 h.p.

Beauty at Lake Louise

Lake Louise, located at an elevation of 5,675 feet and dominated by the majestic Victoria Glacier, is one of the scenic wonders of the world and each year attracts hundreds of talented students who go to hotels in the Canadian Rockies for summer employment. Students this year included Toronto ballerina Wauneen Thompson, left, and concert soprano Brenda Chenier, of Timmins, Ontario. Outside the Chateau Lake Louise, in an off duty hour, the camera caught both girls reading under the rays of a dazzling sun, a practise deplored by eye care experts. Researchers for the Murine company warn that even dark glasses aren't sufficient protection and three words should be applied: "Don't Do It!"

The Story Of One Man's Family [The Hewitt History]

Continued from Last Week)

Ed Shier, a small pensioner from the War of 1914-18 was hostler and slept in the office of the Hewitt Bros. barn.

This barn was approximately 35 feet wide by 80 feet with a hayloft on top and stable and storage below. It was built with 2x6 framework and well supported with posts. Stalls etc. were in the stable on the ground floor. It was formerly used to stable horses which were used in early days for stage coach and livery horses for the public. Doctors, preachers, commercial travellers or anyone wanting transportation could get the service they wanted.

Ed took remarkable care of the barn. He was always there at night, and being an old soldier, greeted you as a friend or foe. He would greatly help if the need was great, but if he felt the need was not genuine he knew how to treat a foe. As a hostler, great care was taken in the stable. He did not believe in horse and driver both being cold on the road so he frequently drove with whip in one hand.

Outside the office a light was installed which was run by a Delco plant inside. This was the only light shown in Minden from the beginning of the thirties until electricity was installed.

Just previous to Hewitts purchasing the "barn", some of the stable was taken to make room for cars and trucks which were replacing horses. This continued with the ever growing need for motoring equipment and less horse-drawn vehicles and finally all the innards were removed and the ceiling raised to accommodate larger trucks. The building now became a shell and in a few more years got a bad lean on it from the lack of supports. It was finally torn down and another old landmark gone.

The luck of the Irish still holds good within the Hewitt family. "Lo and be gorra when the Irish Sweepstake was run in 1963 Arnold held the lucky ticket and now he can live the life of an Irishman. Congratulations!"

Now we come to my parents.

Joseph and Margaret Hewitt, both of whom were born in the Township of Stanhope. They were married in 1903 in the Anglican Church in Minden and settled down on the Hewitt Homestead in Boskung opposite St. Stephen's Church.

Joseph was a quiet man and didn't care to follow the road of public and political activity as his father had done. Both he and Margaret found their joy in things of the land. Together they established their married life on the principle of the golden rule "Do unto others as you would have them do to you". All through their lives they served their Church faithfully and worked hard for the betterment of others in the surrounding community, while never neglecting their home and family. They believed firmly that what one soweth, so will he reap, and this was borne out by the high regard felt for them by friends and neighbours. Their home was a place where anyone in trouble could come for help and encouragement.

They were a methodical couple and believed there was a proper seed time and harvest. They enjoyed seeing things grow and come to maturity, and when all was gathered into storage for the winter they liked to feel there was a little extra in case the crop would not be so good in the next year.

Dad was very practical and turned his hand to any job, large or small, that would help to provide a good living for his family. He always had ready a supply of hand made utensils like fork and shovel handles, whiffletree, etc. and a lumber pile in the yard too in case something of the kind would be needed in the neighbourhood. He took pride in keeping the animals well cared for and did his own veterinary work, as well as for neighbours. One time a neighbour's beast had broken its leg and Dad was called in to lend a hand. The animal was too thin to kill, so Dad made some splints and then gathered pitch from the ends of some pine logs and used it as adhesive to

put on the splints; it worked fine. He also did butchering and it was not unusual for him to drive cattle to Dorset and butcher the beef for the lumber camps in the vicinity. He was allowed to bring the hides back and these he sold. Sheep and deer skins were tanned and used for shoe laces, repairing harness and so on.

Mother too had many activities in addition to her regular household chores. She made her own vinegar, grew hops and made yeast, and like most other women in the community made the soap used for the family washing. She had a "green thumb" and grew all kinds of flowers. Knitting was one of Mother's special accomplishments and it was not uncommon for her to begin a pair of mitts for one of us in the evening and in the morning there they were, all finished and ready to wear. She knit some underwear for the family — Dad's were special, they were red. For all this knitting she teased the wool and then took it to Minden to be carded in the Carding Mill which used to be there. After bringing it home then came the spinning and making it into skeins.

Mother also served as a midwife in the community as rarely, if ever, was there a doctor available. As a matter of fact her own children were all born without a doctor in attendance. How she found time for all these things I'll never know, but she did, and also helped with the Church affairs besides.

We were a family of five and from our earliest years we were taught to be practical, to face reality, and to realize the value of honesty and truth. I was in the centre, two older and two younger, so of course I was always "Johnny on the spot" in the middle of everything good or bad. When differences arose I, of course, had to take a neutral position. I found out early that being in the middle often worked out to be quite an advantage.

We were a closely knit group and shared with Mother and Dad all the joys and sorrows that came our way. As we grew older

and were given responsibilities we were taught that even though things seemed hard sometimes that we must do our best to complete what we set out to do. We were old that "man earns his bread by the sweat of his brow" so we must never shirk any task given us.

The social side of life was not neglected in our family. Sunday being observed as the day of rest, it was the time for visiting, exchanging ideas and making plans, etc. Our door was always open for friends and they would be served something to eat and drink when they came. Festivals and holidays were enjoyed by exchanging gifts, making merry at parties — mostly friendly house gatherings.

Dad had always been fond of sports, and as we grew older we shared his pleasure in swimming, fishing, playing ball, horseback riding in summer, and in winter skating, snowshoeing and sleigh riding.

As parents, I think my mother and father were about as perfect as two people can be. The honour and respect I have felt for them

since childhood is hard for me to put into words, but it is there and will be with me always. Perhaps the brief outline of their life in these pages will show something of what I feel.

Their teachings have stood us in good stead, even though they have seemed irksome to us at the time. We have prospered because of them.

My parents lived to celebrate their 60th Wedding Anniversary and a reception was prepared in their honour. Surrounded by their family with grandchildren and great grandchildren they were able to look back in retrospect over sixty happy and fruitful years together.

The Hewitt tree has many branches; their roots are planted deep in the soil of Haliburton County. Their seeds are scattered far and wide in many parts of Canada and flourish in various occupations.

As an Irishman would say . . . "Sure and begorra, 'tis all over the country our name is heard". Every Saturday on "Hockey Night in Canada".

EXPO, C'EST MAGNIFIQUE!

Well, I scarcely know where to start. Expo 67 is surely the greatest display of human ingenuity, imagination and organization that has ever been assembled on the face of the earth. It's absolutely magnificent in almost every respect.

All you need to enjoy the big fair thoroughly is about three weeks, \$3,000 and a pair of legs made of steel springs.

We did it in three days, on \$150, with legs that rapidly turned to putty, if it is possible for putty to ache like a bad tooth.

We took off right after church last Sunday. As usual, "right-after-church" gradually turned into 3 p.m. Drove 150 miles. Stayed with sister-in-law. Long time no see. Big palaver until 3 a.m.

Bogged another 200 through the heat to Alexandria, near Montreal, where old buddy, The Man from Glengarry, generous, joyous Gene Macdonald, had offered, free, two motel rooms for as long as we wanted. Swift tour of ancient, interesting town, drink at golf club, dinner at the Macdonalds'. Same story: long-time-no-see, etc. Overflowing hospitality, even to tall, dark and handsome 16-year-old son Neil to entertain our Kim. Estimated departure time: 10 p.m. Actual departing time: 2:30 a.m.

Up bright and early and off at the crack of noon. Fortunately, as Gene had promised, it was only an hour's drive from Expo. Became biggest joke of trip. He obviously meant by jet, or straight across-country. My car goes better on highways.

"Just follow the Expo signs," it said. We did. We completely surrounded the city of Montreal and wound up in a parking lot which was a 30-minute ferry ride from Expo. The regular lots are five to ten minutes from the grounds. The ferry cost \$1.50 a person. The other lots provide a free bus. The ferry dumped us at the wrong end of Expo, just ten miles from where we wanted to be. At 3:30 p.m. we were at Expo.

Never mind, we finally picked up my press pass. The press building was a little bit of heaven: air-conditioned; food and drink reasonable. Slightly reviv-

ed, and just about the time I had thought we'd be heading for home, we started out to "do" Expo.

As always with our family, there were no plans, no organization. We went into the first building we saw. It was the International Broadcasting Building. Fascinating, perhaps, for an engineer. For us, it was slightly less absorbing than a visit to the local library.

The fighting began here. Kim is at the age when she abhors being dragged around by her parents. Her first proposal was, "Let's split and meet somewhere." Would you turn loose your 16-year-old chick in a crowd of 300,000, in an area the size of a large city, when none of us had a clue about how to get back to the ferry?

So we sulked our way through the telephone building. It's a dandy show. And it was here that I first discovered that my press pass made Aladdin's Lamp look like an old candle butt. (I just took it out and kissed it as I write.)

See, there are these 7,000 people lined up, about four abreast, for a quarter-mile. With a press pass, you walk to the head of the line, flash the pass, and your party is admitted at the "reserved" entrance, immediately, along with people in wheel-chairs and comas and other conditions.

The first time we did it, we felt like real skunks. I expected the enraged types in the line-up to scream and rave or threaten to tear us to pieces. Nothing happened. The second time, I felt like Charles de Gaulle. After that, I lost all compunction for the standees, and began looking for pavilions with the longest line-ups, for the sheer pleasure of gate-crashing. Such is man.

Russian pavilion next. Beautiful line-up. Pavilion was rather like a vast department store specializing in space-travel equipment. My wife collapsed into a chair on the third floor and a number of people thought she was having a stroke.

By sheer good luck, we found our way home, and hurried that "one hour from Expo" in only 2½ hours, after missing the turn-off to Alex and wandering about the wilds of Eastern Ontario for an hour. Bed at 2 a.m.

CARNARVON

(Intended for Last Week)

Gene Gregory, son of Fred Gregory, came from Lilloet, B.C. by plane to spend the summer vacation with his father and grandparents, Mr. and Mrs. Jack Gregory.

The service at Twelve Mile Church was well attended on Sunday evening. Mr. Wm. Allen, a teacher from Iroquois Falls, was the speaker, and Lorne Carter who was the student minister for this summer and Mrs. Allen sang a duet. We will be sorry to see Lorne leave our community this week to return to University. He has been the leader of the Coffee House all summer, which has been quite a success. Last Sunday evening, September 3rd, was the last song service for this season.

Mrs. Maurice Windsor is home from the Red Cross Hospital in Minden, much improved in health. While there she received wonderful care and admired the cheerfulness of the nurses and the service that the hospital is rendering to the district.

Mr. and Mrs. Max McKay and Lory are back home again after being at Camp Comak for the summer.

The Sinclair Russells and the Bob Gorries, also Mrs. Alex Hewitt, spent Wednesday in Toronto at the C.N.E.

BIRTHS

MacCAULEY — Joe and Deena (nee Formica) happily announce the birth of their daughter, Tina-Marie, 8 lbs. 5 1/2 oz. on Wednesday, August 23, 1967 at Scarborough General Hospital.

ANNOUNCEMENT

Mr. and Mrs. Ed Lyle of Kinmount will be home to their friends and neighbours on Sunday, September 17 from 2 to 4 and 7 to 9 p.m. on the occasion of their 50th Wedding Anniversary. Best wishes only.

Card of Thanks

Mrs. H. Osborne of West Guilford wishes to thank her many friends and neighbours for the lovely cards and flowers she has received during her stay in hospital.

I am sincerely grateful to God, the competent assistance of Doctors and Nurses, and the kindness of friends who visited, sent cards and letters during my recent accident.

Mrs. John Emmerson.

Our sincere thanks to all those who in any way assisted during our recent fire. A special "thank you" to the Department of Lands and Forests, Gooderham for their prompt and efficient service, also to the Monmouth and Haliburton Fire Departments.

Elgin and Yvonne MacDuff.

It is our desire to express our sincere thanks and deep appreciation to our many relatives, neighbours and friends for their kindness, messages of sympathy and floral tributes during the loss of our dearly beloved Father. Special thanks to Rev. Noel McNeill for his words of comfort.

The Family of the late William Stamp.

IN MEMORIAM

BUCHANAN — In loving memory of John Albert Buchanan, who passed away September 9, 1957.

A page in our book of memory, Silently turns to-day.
—Always remembered by his Wife and Family.

GRIFFIN — In loving memory of a dear father, Earnest Griffin, who passed away September 15, 1966.

It broke our hearts to lose you, But you didn't go alone;
For part of us went with you, The day God called you home.
—Remembered always, Lottie and Family.

KELLETT — In loving memory of a dear wife, mother and mother-in-law, Mildred, who passed away September 8, 1966. Though her smile is gone forever And her hand we cannot touch, Still we have so many memories Of the one we loved so much. Her memory is our keepsake, With which we'll never part; God has her in his keeping, We have her in our hearts.
—Always remembered by husband Garnet and Family.

MAGUIRE — In loving memory of our dear Mother, who passed away September 14, 1963, and Father, October 14, 1959. Please God, forgive a silent tear, A constant wish that they were here; Others are taken, this we know, But they were ours and we loved them so.

When we are sad and lonely, And everything goes wrong; We seem to hear them whisper, "Cheer up and carry on". Each time we see their photo, They seem to smile and say, "Don't cry, we're only sleeping, We'll meet again some day". So please God, take a message To our dear Mom and Dad up above, Just tell them that we miss them And give them all our love.
—Always remembered and sadly missed by daughters Audrey and Lovina.

SIPE — In loving memory of my dear husband, Ephraim Sipe, who passed away four years ago today, September 9, 1963. Always a thought and many a tear For one I miss and loved so dear, The sudden way you had to die I shall always remember and wonder why. I cannot halt the hands of time Or live again the past, But within my heart are memories That will forever last.
—Lovingly remembered by wife Laura.

SIPE — In loving memory of our Dad and grandfather, Ephraim Sipe, who passed away September 9, 1963. Nothing can ever take away The love a heart holds dear; Fond memories linger every day, Remembrance keeps him near.
—Sadly missed by Son, Daughters and Grandchildren.

STAMP — In loving memory of a dear husband and father, Wilbert Lenord, who passed away September 8, 1966. We walk through our garden of memories And there midst the blossoms of blue, We find in our garden of memories Forget-me-nots blooming for you.
—Always remembered by wife Jean and Family.

STAMP — In loving memory of a dear father and grandfather, Wilbert Lenord, who passed away September 8, 1966. What we would give if we could say,

"Hello Dad" in the same old way; To hear your voice, see your smile,

To sit with you and chat awhile, So you who have a father, Cherish him with care;

For you'll never know the heartache,

Till you see his vacant chair.

—Sadly missed by son Charles, daughter-in-law Brenda and grandson Jeffrey.

Wilberforce United Church Scene Of Stepanek - Herlihey Wedding

Wilberforce United Church, decorated with white gladioli and carnations and highlighted by candelabra, was the scene of a very pretty wedding on Saturday, August 12 at 3:30 p.m. when Gloria Jane, daughter of Mr. and Mrs. Francis Harold Herlihey of Wilberforce, was united in marriage with Mr. Paul Stepanek of Toronto, Ontario.

Rev. Harry J. Herlihey, uncle of the bride, assisted by Mr. Kenneth McAllister, performed the double ring ceremony. The soloist, Mrs. Elgin Stouffer of Minden, accompanied by Mr. Carl Bohme, uncle of the bride, of Boston, Mass., sang "The Wedding Prayer" prior to the ceremony and "O Perfect Love" during the signing of the register.

The bride, given in marriage by her father, looked lovely in a full-length gown of white taffeta, fashioned with chantilly lace bodice and elbow-length sleeves; a lace-edged overlay of silk organza flowed from the bodice into a cathedral train. She wore a four-tiered silk illusion veil which was held in place by a circlet of white satin roses centred with seed pearls. She carried a cascade of stephanotis, white orchids and ivy.

Sister of the bride, Mrs. Karl Marcus of Toronto, was matron of honour. Bridesmaids were Mrs. Fred Hooper, sister of the groom, and Miss Janet Sims, a close friend of the bride. Miss Karen Unsworth cousin of the bride, was flower girl.

Bridesmaids and matron of honour chose gowns styled to match the bride's in Centennial rose

chiffon. They wore veiled head-dresses to match their gowns. The flower girl wore a floor-length dress of white silk crepe with Centennial rose velvet ribbon threaded through lace at the waist and matching velvet hair bow with band. The senior attendants carried bouquets of white carnations interspersed with a touch of pink, while the flower girl's bouquet was pink carnations with a few sprays of white.

Best man was Mr. Allan Tuma, and ushers were Mr. Edward Buffett and Mr. Terry Bedard, all friends of the groom, from Toronto.

A reception was held at Bonnie View Inn. The bride's mother welcomed her guests in a pale blue brocade ensemble with matching accessories and a white orchid corsage. The groom's mother assisted in a gold shantung dress with gold and white accessories and a white orchid corsage.

An eloquent toast to the bride was proposed by Mr. J. T. Wallace of Wilberforce. Mr. Edward Buffett, friend of the groom, acted as Master of Ceremonies. Telegrams were read from friends in Hamburg, Germany; La Sarre, Quebec; Montreal, Quebec; and Toronto.

For travelling to Antigua and Guadeloupe the bride chose an off-white linen dress with matching coat, tangerine and white accessories and a corsage of white roses. She wore a white gold watch, the gift of the groom.

On their return they will reside in Toronto.

MINDEN

Mrs. Garnet Lazier spent a few days at Orilla with Mr. and Mrs. Stan Sarjeant and Mr. and Mrs. Seymour Thomson.

WILBERFORCE

This has been a busy weekend in this part of the Highlands, as most of the people on the lakes have been spending the last of the summer holidays at their cottages. The children are all looking forward (?) to returning to school. While this has not been one of the best summers we have had, everybody has seemed to have had a good time.

On Friday last Mr. John Eakins, Mayor of Lindsay, was the guest at a Coffee Social at the home of Mrs. Irma Dunford in Tory Hill. He spoke to a number of ladies there and stated that he will be a candidate in the next Provincial Parliament Elections for the Victoria - Haliburton riding.

There is only one place in my opinion for anonymous letters, and that is the waste-paper basket. If people haven't the nerve to sign their letters they are just wasting time and stamps.

I cannot understand why the Monmouth Council have to bid for \$3,250.00 for the Arena; this building should produce an income and be an asset instead of a liability. If it costs that much to run why not lease it to some body who will make it pay? Also street lights, these should be treated as a local improvement and charged up to the property which benefits. What use are they to me in Otter Lake?

A meeting of the Otter Lake Road Association was held on Sunday last. I understand that the same officers were elected for a further term of one year.

Talking about roads, the Essonville Line was graded last week and from what I have seen and heard, it was for better before the grader was on it. The road is full of stones which have not been thrown off. When are we going to have this road in good shape?

Statistics Startle Cottagers!

The following is a press release for the Haliburton Highlands Property Owners' Council re their 7th Annual Meeting held on Saturday, August 26 at Red Umbrella Inn.

Eighty thousand cottagers to 8,000 permanent residents! That's the kind of shock treatment Mr. Albert Hoad, President of the Federation of Ontario Cottagers' Association, handed out as he urged organization and representation at all government levels (municipal, provincial and federal), in order to bring about vitally important precautionary by-laws to halt the rapidly spreading spoilage of resort areas due to pollution, impractical zoning, and unjust taxes. He hammered home the point that as a source of revenue and area economics the cottager was of major importance yet interest in his problems remained at a low ebb, largely due to his inability to vote for the local M.P. and his inability to reach the voting area for municipal elections. Mr. Hoad decried the apathy of cottage owners who "couldn't be bothered" about a future that would be inherited by his grandchildren, along with the results of his disinterest and negligence today.

Reports on the depletion of game fish in many lakes and the distribution of surveys designed to help the Lands and Forests Department assess fishing potential was given by Jack Armstrong of that Department. He also announced that contour maps of many area lakes were available in the Lindsay office.

A closed season on ice fishing was asked. Mr. E. E. Merriam of Farquhar Lake told of vandalism, pollution, and break-ins resulting from this, and Mr. McNab of the Red Umbrella Inn said he didn't feel it brought the area much revenue.

Mr. Jack Hill, Tax Assessor for Anson, Hindon and Minden, explained the basis by which he increased the assessments sectionally, but toward eventual equalization.

Guests included Reeve Locke of Sherbourne Township, Councilor Deterling of Monmouth, Mr.

Bennett, Superintendent of Trent Waterways, Dept. of Transport, and Glen Hodgson, M.P.P.

Two new associations were welcomed to the Council, North Kashagawigamog and Lake Kashagawigamog. The same officers were re-elected by acclamation, plus a fourth Vice-President Mr. S. Somacal.

School Of Fine Arts Get Registrations

The Haliburton School of Fine Arts reports registration is now in full swing for their Autumn Courses in Landscape Painting and Photography. They are being congratulated on all sides for their success in obtaining such excellent instructors.

Along with the help of experienced painters, special attention will be given to those who have never used a brush before. Lack of experience should be no hindrance to anyone wishing to take the Course.

The instructor for photography points out that expensive equipment is not necessary. Emphasis will be on photo composition and the pupil will be shown how to use different light conditions to best advantage.

This School has also planned an excellent evening program to compliment the daytime classes. Lectures and films, to which the public are invited, will be shown each evening from 7:30 to 9:30 in the Recreation Hall at Royal View Lodge. Students of the School will be granted free admission to these evening sessions. A small fee will be charged to others who attend.

The keen interest shown by so many people indicates a need for this type of a school in the area.

Lindsay Trio At Legion Meet

LINDSAY (ENS) — Three members of the Royal Canadian Legion Branch here attended the Zone 14 meeting held Sunday at Kimmount.

The trio — Clifford Cote, Morley O'Neill and William Dermody — and other delegates were welcomed by Kimmount Branch President Donald Henderson. Represented were Kimmount, Haliburton, Bobcaygeon, Fenelon Falls, Beaverton and Omemee branches.

Arnold Schroter was re-elected Zone Commander. Remainder of the new executive is: William Shea, Deputy Zone Commander; John Fergus, Secretary-Treasurer; George Brennan, Service Bureau; William Dermody, Public Relations; Morley O'Neill, Sports Officer; Clifford Cote, Resolutions; Stanley Oliver and Arnold Schroter, Membership; Arthur Plumptre, Parade Marshal; John Bent, Poppy Campaign.

The Fall Zone Rally will be held October 29 at Fenelon Falls.

GOODERHAM

We are sorry to report that Mrs. Aldridge Hunter is at present in the Red Cross Hospital in Minden, Mr. Willard Billings is in the Ross Memorial Hospital, and Mr. Clifford Mintz is in the Civic Hospital, Peterborough. We wish them all a speedy recovery.

It is good to know that Mrs. Dallyn Pickens returned home last week from the hospital in Minden, and we hope she will soon be fully recovered.

We regret to hear Mrs. Thos. McColl has been ill this last week. Here's hoping for a quick return of good health.

Mr. and Mrs. Ray McColl spent the weekend at the McColl home.

We are happy to welcome Mrs. Margaret Walker and her daughter, Mrs. John Cooper, of Orange City, Florida back for a holiday among her old friends.

Mr. and Mrs. G. W. Barr enjoyed very much a trip up into our great northland. They drove to Cochrane, there to board the Polar Bear Express to Moosonee and Moose Factory Island.

As Mr. McAllister is on vacation this month, Mr. Dick Green, assisted by Mr. Gordon Barr, was pulpit supply last Sunday. Mr. Green brought a very fine message on Christian Unity, taking his text from John 17:21 - "That they all may be one that the world may believe". Miss Lynda McMullen delighted the congregation with a lovely solo.

The summer visitors returned in throngs to enjoy the last long weekend of the summer season before the back-to-school parade began on Tuesday morning. Fine weather helped to make an ideal weekend.

Sunday visitors at the Barr home were Mr. and Mrs. Ed Loney, Chyrelene and Patty Lee of Scarborough, and also Miss Lynda McMullen and friend Leona of Scarborough.

OBITUARY

EDMUND ROY ARCHER

The community was shocked and deeply grieved to learn of the passing of the above named, from a heart seizure, on Friday, September 1, 1967 at the family residence in Toronto.

Roy, second son of the late William and Margaret Archer, was born in Allsaw, moved with the family to Minden at an early age, and subsequently resided in Haliburton for a few years before accepting employment with the Toronto Transportation Commission. He was later employed with the Hydro Electric Power Commission of Ontario, the Ontario Provincial Police, the North York Hydro Electric Commission, and finally served several years with the Department of Public Works of the Province of Ontario, retiring in 1965 because of ill health. During Roy's employment years he resided in St. Mary's, Glencoe, Wallaceburg, Port Carling, Hamilton, Beamsville and Toronto.

Roy had a jovial disposition and was respected and liked by his neighbours and friends. For the past several years he took a keen interest in his flower garden and many people called at the residence annually to inspect the wide display of beautiful flowers and trees.

He was a member of Occident Lodge of Ancient Free and Accepted Masons for over 40 years.

The funeral service was held on Tuesday, September 5 at the Flynn Funeral Chapel in Weston, and interment was made in Park Lawn Cemetery, Toronto.

Left to mourn his loss besides his wife Irene are two sons, Ross and Donald, both of Toronto; another infant son, Glen, predeceased him in 1930; and brothers Ray and Max of Haliburton; and sisters Anna (widow of Fred Jones) and Blanche (Mrs. G. L. Krauter) of Islington.

IN MEMORIAM

CONGDON — In loving memory of Raymond Congdon, who died suddenly September 2, 1965. Fondly remembered every day. And sadly missed along life's way. —By wife Edna and Family.

Reflections

(Continued from Page One)
beautiful sand beaches that can't be beat.

As a child, how I loved to puddle around in that clear, pure water and run barefoot along the sand. I soon learned to row a boat, paddle a canoe, then later to catch the lovely pink salmon trout which abound in the lake. They were very plentiful then, and a man could go out any morning and in a few minutes bring home a beauty for breakfast.

These were the joys of my childhood!

My Dad was one of the first settlers around the Lake. He put in his first crop in fresh cleared land with a hoe — seven acres of it. That was ninety years ago. Could our up to date men do that much nowadays? I think not.

There is a great deal of credit coming to the pioneers who cleared a farm out of the forest, built a house, and supported a large family. There were no white collar jobs for them, but they were real men with muscle and brains, and a respect for one another. If a man was sick or unable to do a job alone he could always depend on the help of his friendly neighbours.

Communication was hard in those days. We had to walk four miles to the Post Office, but we had a jolly old Irishman who used to go to Minden once a week with a horse and wagon for the mail. He did this for many years, but when it got too much for him an Englishman took over, and he came right to Hall's Lake. That was better. We had a Post Office for a few years, but we were due for another change. Now we have our mail box and a daily mail delivery. Yes, I sure have seen many changes in my day.

When I went to school I had to walk four miles. Now they take the children in a bus about 24 miles. I wonder, sometimes, if that is progress. When I see the wee ones start out before daylight and come home after dark in the short, cold days, I wonder again.

There used to be two sawmills on the Lake, but they are long since gone, and in their place are summer cottages all fitted up with the latest gadgets and conveniences.

When I was young we had to make our own entertainment. Our pleasures were in simple things, but we had a happy home life. Now, of course, we have Radio and T.V., and this is a tremendous change.

I did enjoy seeing our Queen on the T.V. recently. When I was a child it was Queen Victoria. I don't think she ever left the British Isles. I remember a cute story of her visiting Scotland. She used to love to go for long walks. She would dress as a peasant and folks didn't know her. On one of her jaunts it came on raining, so she went into a cottage, but didn't make herself known. The rain didn't stop but she had to go. The hostess said "I will get you an umbrella", of which she had two. So she gave the Queen the old one. Next day a boy came to the door bringing her a new one with thanks from the Queen. I thought of it when I saw our Queen with her umbrella, and as she got on the plane to go home. Old times and new!

There are lots of things yet to be desired, but one thing is certain, you don't really miss what you never had.

Minden Youth Fined \$100

An 18-year-old Minden youth, Douglas N. Lee, was fined \$100 and costs in Lindsay Magistrate's Court on Wednesday or 15 days, and his driver's licence was suspended for six months after he pleaded guilty to driving while under suspension.

Minden O.P.P. Constable Derek Jackson said the accused was stopped on Highway 35 in the Minden area on Monday evening and asked to produce his driver's licence. The Constable said the accused told him his licence was under suspension.

Court was told Lee's licence was suspended for three months when he was convicted on July 27 of this year for leaving the scene of an accident.
